

Indivisible Ferndale Values

Indivisible Ferndale Mission:

To practice these values; support candidates who practice these values; and help create policies that actualize these values at the local, state and federal level.

2019 Theme: Carry it on in 2019!

Goal 1. Focus on local community, state and national issues that affect us.

Objective 1a: Improve governmental policies.

Objective 1b: Engage with elected representatives on matters related to immigration, healthcare, environment and education.

Goal 2. Model the values of inclusion, respect and fairness.

Objective 2a: Take action to support vulnerable and disenfranchised groups in our community and facilitate access to relevant community services.

Objective 2b: Advocate at local governmental boards to empower the most impacted groups .

Objective 2c: Coordinate with and provide assistance to local organizations negatively impacted by the current administration policies.

Objective 2d: Present symposium on understanding racism in our community.

Goal 3. Create positive outcomes during election cycles.

Objective 3a: Win those elections in which we engage.

- Evaluate all candidates based upon our values and electability.

Objective 3b: Develop relationships with elected officials.

Objective 3c: Attend, support and participate in local government meetings.

* **Note:** CA primary moved to March 3, 2020

Goal 4. Increase participation by Indivisible Ferndale members.

Objective 4a: Increase membership by 25%. Bring a friend to our general meetings.

Objective 4b: Increase “active” committee participation by 10%.

Objective 4c: Establish a Fundraising Committee and double our fundraising activity.

Goal 5. Identify and participate in “common good” opportunities.

Objective 5a: Host at least two community forums in 2019.

Objective 5b: Create a committee to establish a scholarship/grant for community or state college students.

Objective 5c: Develop a media strategy to inform our community who We are and what We do.
